CHILVALEE

Mr. William Baker and Mr. Arnold Mellinger check absences before school each morning.

CHS is LEADERSHIP exemplified

Mr. J. Leonard Mauck, Superintendent of Smyth County Schools, and Mrs. Joyce Cornette, Clerk of the School Board.

The Administration, headed by Superintendent J. Leonard Mauck and Principal William Baker, and the faculty provide the leadership and inspiration necessary for the development of each student as a well-rounded citizen.

The 1965-66 session saw many changes in the Administration and faculty. At midterm Mr. Arnold Mellinger became assistant principal, succeeding Mr. Cleve Compton, who was named principal of the elementary school. Mr. Joe Rusek replaced Mr. Compton as head football coach. These changes were brought about when Mr. J.D. Neeley, Director of Instruction in Smyth County, resigned in order to accept a superintendency in another county and Mr. E.R. Thompson succeeded him. Mr. Greever Crouse became principal of Sugar Grove High School, replacing Mr. Thompson. Mr. Charles Campbell was added to the faculty.

Able student leadership is provided by the SCA, which represents the entire school and acts as the coordinator of student activities.

CHS is SCHOLARSHIP encouraged . . .

Students prepare research assignments in the library.

Chilhowie High School provides through its curriculum ample opportunity for scholastic growth. Courses are offered in academic, commercial, and vocational fields. Students may choose electives in the sciences, math, languages, social studies, commercial subjects, home economics, agriculture and shop. Recently added in the eighth grade are classes in reading skills and exploratory home economics and agriculture. These courses give the eighth grader opportunity to determine his interest and abilities.

An additional teacher in the commercial department made it possible for more students to take business subjects during the 1965-66 session. A new course in office practice provided practical experience for would-be secretaries. Other new courses were added. Driver's training, offered for the first time during the summer of 1965, proved to be a popular one-semester course.

Scholarship is encouraged through the publishing of an honor roll after each grading period. Students on the A honor roll for the entire first semester were Judy Blevins, Sue Blevins, Ellen Bonham, Sammy Catron, Dora DeBusk, Diann Dixon, J. E. Edmiston, David Ellison, Diane Ellison, Vickie Evelsizer, Anita Goble, Linda Lou Jones, Charlee Beth Martin, Jayne Martin, Joyce Martin, Linda Lou Martin, Sue McClure, Donna Pennington, Patsy Pierce, Fay Powers, Cynthia Robertson, Donna Roe, Bobby Waters, Dixie Waters, Carol Wilson.

Members of the SCA Council work on the school handbook.

Many clubs and organizations provide the students with opportunities to express citizenship and to prepare themselves to become responsible citizens.

The SCA, composed of all members of the student body, is the voice through which students may express their ideas and wishes. By working in this organization students learn to participate in the democratic process by nominating and electing members to the SCA Council. During the year this group sponsored assembly programs, school dances, clean-up week, and a drive to help needy families at Christmas. The main project was the publication of a student handbook.

Other organizations also have as their aims the building of character and citizenship. The FFA trains rural citizens, while the FHA encourages good citizenship in the home. The Hi-Y and Tri-Hi-Y seek to uphold high standards of Christian conduct. All CHS clubs, whatever their aims, give students opportunities to become well-rounded citizens by developing and making use of their talents and abilities and by rendering service to their school and community.

CHS is SPORTSMANSHIP

Jimmy Gross follows through with a left-handed layup.

Competitive sports provide the atmosphere in which good sportsmanship may be practiced at Chilhowie High.

The Warriors field varsity teams in football, basketball, baseball, track, golf, and girls' basketball. Chilhowie High is a member of District 6, one of the strongest Group II districts in the state. The athletic program at Chilhowie High is constantly changing and improving to keep pace with district rivals.

The cheerleaders encourage good sportsmanship and school spirit through pep rallies and posters appropriate for each competition. The Chilhowie Lions Club each year presents an award at graduation to the athlete who during the year has displayed the best sportsmanship.

Although being a winner is important, emphasis is not placed solely on winning at CHS. Teamwork, fair play, and self discipline are main objectives of the athletic program.

Salesmanship plays a large part in life at Chilhowie High. Besides "selling" themselves to the public and "selling" themselves to each other, the students during the 1965-66 session were busy in selling various products in order to raise money to finance numerous worthwhile projects. The Seniors had a most successful magazine sales campaign, topping all previous records. The profits from this drive helped finance their Washington trip. Other groups made money by selling candy, pens, sweat shirts, cook books, garment bags, shoe polish, fire extinguishers, Christmas cards and paper. These efforts in salesmanship provided the students with invaluable experience in meeting the public, in the art of persuasion, and in developing self-confidence-experiences needed in forming well-rounded citizens.

The 1965-66 Senior Class of Chilhowie High School was an active one. Starting with the magazine drive, which was the most successful one ever, through the Senior Play, Chilhowie Seniors worked long and hard to earn money for their trip to Washington.

Although the Seniors looked forward to graduation night, it was very hard to break away from the friendships that were formed over the high school years.

As the seniors make their way toward new horizons, they will always remember Chilhowie High School, no matter where the road of life will lead them.

Above: Jimmy Gross gets rid of ball being stopped by onrushing tackler.

Right: Chilhowie runner is stopped cold by Marion defense.

The 1965-66 Chilhowie Warrior Football Team posted a fine 6-3-1 season worksheet. After an opening night loss to Marion, the Warriors rolled to two victories and a scoreless tie with Saltville before they were upset by Patrick Henry 20-13. The Warriors then scored four straight triumphs before ending the season with a 14-0 loss to John Battle. The Warrior's offense scored an average of 27.3 points per game while our excellent defensive team held opponents to a meager 4.7 points per game.

VARSITY BASKETBALL

The 1965-66 Warrior Basketball Team broke even during the regular season, winning eight and losing eight. The Warriors played excellent regular season ball, losing their eight games by a total of only 49 points.

The Warriors ended their season with a 53-48 loss to Saltville in the District Six Tournament held at John Battle High School.

The girls' varsity basketball team showed much improvement this year under the direction of Mrs. Betty Basham. After many long hard hours of work and practice the team ended the season with a 6-4 record.

JUNIOR VARSITY

The junior varsity team gives the underclassmen experience and training that will eventually add more ability and skill with the ball to the varsity team. Both girls' basketball teams are a great asset to our extracurricular activities.

BASEBALL

The 1965-66 Varsity Baseball Team experienced a rugged season. The final season record of 1-12 does not show the number of fine games the Warriors played. With only three seniors graduating this year, the Warriors look forward to a more successful 1966-67 baseball season.

Chilhowie Warriors await their turn at bat.

TRACK

Although inclement weather cancelled several track meets, the track team finished the season with remarkable results. Several school, county, and district records were broken. David Palmer led the district by winning the 440 yard dash in the district meet with a time of 52.5 seconds and by winning the broad jump with a jump of 20 feet 4 inches. The school record was set by Larry Russell in the County meet with a jump of 20 feet 7 inches. David Hall broke the discus record with a distance of 116 feet. The 220 yard dash record was set by Fred Gillespie with a time of 23 seconds. The mile relay team, (pictured at right) composed of David Palmer, Jimmy Gross, Eugene Viers, and Wayne Heninger, set a record time of 3 minutes 46 seconds. Mickey Hall's record of 40 feet 10 inches in the shot put was tied by David Hall.

Come on boys, let's go!

Tommy Wilkinson, Bobby Waters, David Whitley, Mr. Charles Campbell, COACH; Johnny Copenhaver, CAPTAIN.

GOLF

The Golf Team finished with a 1-5 record for the season. The group, still in the developing stage, is looking to an improved team in the future. The captain of the Golf Team, Johnny Copenhaver, with the help of Coach Charles Campbell, has helped the newly-begun golf team to grow.

You Don't Have To Start At The Top . . .

If you're thinking about career opportunity, you might think about Burlington, the world's leading manufacturer and merchandiser of textiles for every purpose. Why not start at the top of the textile ladder? Why not investigate a "world of opportunity" at:

Opportunities Like Edison had are

WAITING FOR YOU

The inventions of Thomas Edison have affected the lives of people everywhere. They have created entire industries — ours, for example.

Under America's Free Enterprise system, inventive people like Edison can expect special compensations — profit, honor and satisfaction.

The hope of attaining such rewards has been one of our nation's greatest incentives to progress. It is a goal that prods imaginative minds in their quests for new products and methods.

Not everyone can be a Thomas Edison. However, every trained, dedicated graduate can anticipate a full measure of our society's rewards. All it takes is a willingness to work harder and contribute more.
